H. B. Richardson
chairman of committee

A few of our handsomest young women and gallant young men went to the cut-off yesterday in autos.

The Best Laxative

To keep the bowels regular the best laxative is outdoor exercise. Drink a full glass of water half an hour before breakfast and eat an abundance of fruit and vegetable, also establish a regular habit and be sure that your bowels move once a day. When a medicine is needed take Chamberlain's Tablets. They are pleasant to take and mild and gentle in effect. Obtainable everywhere.

John L. Stilwell and Miss Myrtle Lambert were united in marriage by Rev. Rudd at his study Monday. The happy young couple are from Mendon.

Liver Trouble

"I am bothered with liver trouble twice a year," writes Joe Dingman, Webster City Iowa. "I have pains in my side and back and an awful soreness in my stomach. I heard of Chamberlain's Tablets, and tried them, I was feeling fine by the time I had taken half a bottle. Obtainable everywhere

The Battle Cry of Peace

as a Feature, is the most timely subject ever released. The word 'Preparedness,' is on every tongue and is worthy of the consideration of every citizen, be he 'Pacifist' or 'Militarist.' It arouses the spirit of patriotism in the most hardened breast. Views of Washington, Lincoln, Dewey, Roosevelt, and many others and their messages on "Our Country," are shown, and from a dramatic standpoint, it is absolutely unequalled. The work of Charles Richman, Norma Talmadge, James Morrison, L. Rogers Lytton, Lucille Hamill, and Louise Beaudet is positively wonderful. In the six weeks run at the Willis Woods theatre in Kansas City, Mo. there never was an exhibition that the entire audience was not drawn to the edge of their seats, and instead of being cut down as most films are after use, there are parts that were not included in the picture as shown at first.

The awful violences to which our wives, mothers, daughters, and sisters would be subjected to in the event of an invasion of this country is brought forcibly home to every one viewing this masterpiece.

The educational features give one an altogether new insight into the present prosperity of this country as well as the horrors of modern warfare. You are shown scenes of interest taken from every part of our country, Times square at night, Coney Island in full swing and New York from land and sea. These are followed by trip over New York in an aeroplane, a submarine boat coming to surface, torpedoes being launched, the forts of the city in action, battle ship maneuvers and army drills; and while it should be of interest to every AMERICAN citizen, it is of special interest to Editors, Woman Suffrage leaders, Military people, Judges, Schoolteachers, Clergymen and Politicians.

"The Battle Cry of Peace," is a 9-reel subject, and will be shown at SUMNER Mo. Aug. 18 th and 19 th complete each night. Will be shown outdoors. 27
